SEA SWIMMING LANES

## A PIONEER INITIATIVE IN THE WORLD

Vies Braves is a public network of marine itineraries on the Costa de Barcelona designed for sports, leisure and teaching activities.

The itineraries run parallel to the coastal paths along the Costa de Barcelona. Signs and buoys provide a safe way of enjoying and exploring the shoreline from the sea.

In the Barcelona Pyrenees, you can also swim in open water in the Via Brava de la Baells.

### Nature lovers,

Vies Braves for snorkelling and exploring the rich flora and fauna of the seabed.

### Sports lovers,

Vies Braves for swimming and enjoying the privileged natural environment.

### Swimmers and triathletes,

Vies Braves, the perfect place for open water training

Before you go swimming :

- Check the weather forecast and the state of the sea.
- Choose an activity suitable for your swimming skills.
- Follow the advice and safety recommendations given on the Vies Braves website or the information panel for each sea itinerary.
